As part of the Restructuring Scheme with the Bankers approval of the Board of Directors was taken at this meeting for sale of Non-core assets of the Company which along with Promoters' contribution is expected to fetch around ₹ 50,000 Crore by 30th June 2026. During the year ended 31st March 2026, the Holding Company recognized Deferred Tax Assets on brought forward business losses and unabsorbed depreciation only to the extent considered recoverable. The recognition is based on management's assessment that sufficient future taxable profits are likely to arise from continuing operations, supported by operational restructuring initiatives, improved market conditions, and proposed monetisation of non-core assets. The carrying amount of Deferred Tax Assets is reviewed at each reporting date and adjusted, where necessary, based on prevailing facts and circumstances. 8. The Ministry of Labour and Employment has published draft Central Rules and Frequently Asked Questions (FAQs) to facilitate assessment of the financial impact arising from the changes introduced under these Codes. 10. The Company has evaluated and quantified the incremental impact of these changes based on the best information currently available and in accordance with the guidance issued by the Institute of Chartered Accountants of India (ICAI). Considering the materiality of the impact and its regulatory-driven, non-recurring nature, the Company has presented the incremental impact as a separate line item in the standalone financial results under the Other Comprehensive Income of the Profit and Loss Statement, amounting to ₹ 15.18 crores for the year ended 31st March 2026. 11. The increase is primarily attributable to the recognition of additional past service cost relating to gratuity liabilities arising from the revised definition of wages applicable to employees and contract labour under the Labour Code. The Company continues to monitor the finalisation of the Central and State Rules and any further clarifications issued by the Government on various aspects of the Labour Codes. Appropriate accounting adjustments, if any, will be recognised in the financial statements as and when such developments occur. 12. The figures for the previous periods have been regrouped/re-arranged wherever necessary to make them comparable with those of current period.
